THE PREMIER **CANADIAN NETWORKING PLATFORM** FOR INVESTMENT IN **AFRICA**

Afrique Expansion Forum is an event held in Montreal since 2003.

Its main goal is to offer tools and innovative approaches for boosting private-sector investment in Africa. It hosts project bearers from 20 African countries, providing them a platform for presenting the business opportunities in their respective countries to Canadian businesses and organizations.

Known for its productive B2B meetings between participants, Forum Afrique Expansion also provides Canadian businesses an opportunity to get up to date on the political and business climates of African countries and on project financing.
