

Message from the Mayor, Mrs. Valérie Plante Forum Afrique Expansion 2019

Welcome to Montréal, a city that is open to the world. We are proud to host this 9th edition of the Forum Afrique Expansion. This event is a top platform for partnerships and business opportunities between Québec, Canada and Africa.

I would like to extend a very warm welcome to dignitaries, delegates and participants who will be attending the Forum here, in our metropolis. The event will take place on September 4th and 5th, 2019, and will welcome more than 500 African and Canadian investors, entrepreneurs and decision-makers, as well as economic promoters and creators from Montréal, who will discuss business opportunities between Africa and Canada.

I encourage you to take this opportunity to discover Montréal's cultural activities as well as the unique attractions our metropolis has to offer.

I would like to express my gratitude to the organizers for their relentless efforts in making this 9th edition a successful one, as well as to all the supporters of the Forum whose contribution is priceless.

I wish you a wonderful stay and a great conference.

May your exchanges be fruitful!

Valérie Plante
Mayor of Montréal
