

A Word from the Mayor, Mrs. Valérie Plante
Forum Afrique Expansion 2020

For the past ten years now, the Forum Afrique Expansion has distinguished itself as the most important business meeting linking Québec, Canada and Africa. This great platform contributes to creating connections between our companies and African economic players. I would like to extend a warm welcome to all those who are visiting us in our metropolis.

Welcoming, inclusive and open to the world, Montréal is experiencing a remarkable period of growth. Economic indicators are on the rise, and 2020 promises to be another successful year.

Thanks to its recognized creativity and sense of entrepreneurship, Montréal has carved out a place of choice internationally as a city of innovation and fertile ground for the growth of SMBs and startups.

This dynamic energy is intimately linked to the great diversity that shapes Montréal today and to which African communities actively contribute.

I would like to warmly salute the promoters and all the organizers who are helping to make this event a success. I wish you productive networking, and invite you to take advantage of this opportunity to discover everything that makes Montréal's worldwide reputation.

Enjoy the forum!

Valérie Plante
Mayor of Montréal

Montréal
